

FOR IMMEDIATE RELEASE

Community-Owned Hospital Partners with MDIG of New Mexico

Phoenix, AZ – Jun. 20, 2019 Medical Diagnostic Imaging Group of New Mexico (MDIG) announced today that they would be providing Diagnostic Imaging and Teleradiology Services for Sierra Vista Hospital (SVH). Located in rural Truth or Consequences, New Mexico SVH is a 15-bed critical access hospital and members of the New Mexico Health Systems Association. This new contract brings the number of facilities partnered with MDIG of New Mexico from three to four. MDIG is an expert radiology services provider with over 30 years of experience assisting rural hospitals to expand the radiology services they provide. Patrick F. Santore, CEO of MDIG stated;

“I am honored to be partnering with Sierra Vista Hospital, a community-owned hospital which is continuously looking for ways to improve the services they offer. MDIG understands the importance of rural hospitals in the communities they serve; our physicians and staff will endeavor to satisfy all of the professional radiology service needs of the Sierra County residents and visitors.”
